Hon'ble Speaker and distinguished Members of this august House,

I welcome all of you to this third session of the Fifteenth Legislative Assembly and convey my greetings and best wishes at the outset.

2. I am indeed, happy to share with the Hon'ble Members that we all are proud in commemorating the 75 years of progressive India. As an initiative, "Azadi Ka Amrit Mahotsav" is being celebrated throughout the country to honour our 75th anniversary of Independence and the glorious history of its people, socio-cultural, political, economic identity and achievements. The official journey of "Azadi Ka Amrit Mahotsav" was commenced in the Union Territory of Puducherry and it is celebrated throughout the year. Hon'ble Members are well aware that all the Government functions and festivals are being celebrated based on "Azadi Ka Amrit Mahotsav" theme.

3. No one can simply pass over the impact of pandemic disease COVID-19 which badly affects the socio-economic development throughout the world. With the sincere efforts taken by this Administration, like vaccination campaigns and following various strategies the second wave was managed without any major impacts. Hon'ble Members know that with the existing health infrastructure, we are in a strong position to withstand challenges.

4. On the financial implication, this Government has incurred an expenditure to a tune of ₹ 9,793.29 crore as against the total outlay of ₹ 10,414 crore in 2021-22 which works out to 94.04% of total outlay. The expenditure incurred is the highest in last 4 years. In addition, we have achieved a record high of 104% of revenue targets. Further, Government of India has also offered the flexibility to decide the source of borrowings without exceeding the borrowing limit fixed under net borrowing ceiling limit. This helps to avail the borrowings at a lower cost and also to the maximum extent.

5. I would like to share with the Hon'ble Members that the Gross State Domestic Product (GSDP) is one of the vital indicators to measure the economic development as well as to study the sectoral growth in a State. The per capita state domestic product is used to determine both the absolute and relative performance of the economy of the State. The GSDP of the Union Territory had been estimated at ₹ 38,285 crore (current price) for 2021-22 which is 2.90% higher than the previous year. The per capita income of Puducherry increased from ₹ 2,15,583 (current price) for the year 2020-21 to ₹ 2,16,495 (current price) for the year 2021-22, showing a growth rate of 0.42%.

6. With these, I wish to highlight some of the major initiatives/achievements made by this Government under various sectors during the previous year 2021-22:

AGRICULTURE AND FARMERS WELFARE

7. This Government is showing keen interest on the welfare of farming community through its strategic interventions for productivity enhancement in Agriculture

and Horticulture on scientific lines and technology driven to ensure increased income of the farming community by the implementation of various schemes and programmes.

8. To promote large scale adoption of improved technologies for increased productivity, crop based production incentives by direct benefit transfer @ ₹ 10,000/acre for paddy for two seasons, ₹ 10,000/acre for sugarcane & cotton, ₹ 3,000/acre for sesame, ₹ 5,000/ acre for groundnut, ₹ 2,000/acre for pulses, ₹ 5,000/acre for millets, ₹ 8,000/acre for fodder crops had been extended. Accordingly, an amount of ₹ 6.24 crore, benefitting 9,493 farmers in Puducherry region and an amount of ₹ 6.94 crore benefitting 7,082 farmers in Karaikal region has been extended as production incentives in 2021-22.

Under the Pradhan Mantri Fasal Bima Yojana, the crop insurance scheme, the claims for Rabi 2019-20 to a tune of ₹ 7.15 crore to 9,085 farmers were settled by the National Insurance Company Ltd., during 2021-22. Further,

under this scheme, 2,343 hectare during Kharif 2021 and nearly 9,000 hectare during Rabi 2021-22 covering 13,178 farmers has been brought under insurance coverage in Puducherry, Karaikal and Yanam region.

ANIMAL HUSBANDRY AND ANIMAL WELFARE

12. In view of high potential in generating subsidiary income and production of protein rich food, this Government has accorded more priority to sustain the livestock health and productivity.

13. During 2021-22, free treatments were given to 2,13,636 cases of livestock, poultry and pet animals. Further, preventive vaccinations were also given to 38,488 cases of livestock, poultry and pet animals. 36,281 artificial inseminations have been done to produce desirable future stock through which 5,246 calves of desirable superior germplasm were born. In addition, superior germplasm semen of malabari bucks were also inseminated to 400 country goats. 24 hours emergency clinic has been functioning in the Directorate campus for providing emergency treatment to sick animals.

14. For veterinary education, grant-in-aid to an extent of ₹ 19.02 crore has been released to Rajiv Gandhi Institute of Veterinary Education and Research (RIVER), Puducherry. Area specific mineral mixture produced by RIVER for farmers, helped to improve the health and milk production of cattle. Approximately, 5,000 kg of mineral mixture was distributed to farmers during the crisis period in three villages under the pilot scheme with the collaboration of Department of Animal Husbandry and Animal Welfare and PONLAIT. The result shows that feeding of mineral mixture increases the milk production by 4.02%, 5.3% and 8.67% at Korkadu, Poornankuppam and Kombakkam villages respectively. The increase in milk production will be more evident if the farmer feeds continuously.

15. Training on fodder production and management were given for 71 farmers of Kalapet and Thavalakuppam villages under Agricultural Technology Management Agency (ATMA) programme. Skill development training on value added milk products for 30 self-help group members of Puducherry Municipalities under National Urban Livelihoods Mission (NULM) programme was also provided.

ART AND CULTURE

16. Art and Culture plays an important role in the development of any nation. Culture and creativity manifest themselves in almost all social, economic and other activities. In order to encourage, this Government has provided the financial assistance to a tune of ₹ 45.90 lakh to 182 Indigent Artists, 5 Tamil Scholars and 70 Awardees of Kalaimamani at the rate of ₹ 1,650, ₹ 2,200 and ₹ 3,250 per month to the age group upto 59 years, 60 to 79 years, 80 and above respectively.
